In search of... Every day at Cardinal Stritch students and faculty seem to be searching for something; whether it is a lost algebra book, or a good piece of chalk. These are obvious ways of searching. As we turn the pages of this yearbook it shows us in many ways in which we searched and found friendships, happiness, and laughter, at sporting events, dances, and even in the classroom.

#### FRIENDSHIP

When everyone turned away,
You were the only one to stay.
You fought with me through good and bad,
We stay together happy and sad.
Although I had a doubt,
I knew we could work it out.
When something would make us fight,
We'd pull through no matter how tight.
I hope we're never totally apart,
Cause you're my best friend,
I know it in my heart.

### Searching For Heaven In Our Eyes

Homecomming is a special event for all Stritch students, especially for the Seniors. This is the time when the Senior class honors one lucky lady for the title Homecomming Queen 1986. But before this, there is a lot of last minute things to be done. Flowers need to be ordered, floats need completion, and the gymneeds to be decorated

With drive and a lot of school spirit, everything was done on time. The floats looked like a million dollars, the cars were all shined up, and it was time to start the Homecomming Parade. It started off with a car caravan from Stritch to Waite with the court, cheerleaders, floats, and a lot of enthusiastic people. When we got there the football team was warming up, trying to make a Homecomming Victory.

While the football team worked hard on the field, everyone was anticipating halftime and the announcement of the winning float and of course who would reign as Homecomming queen. Finally the time had come, and they announced that the Seniors and the Sophomores had both placed first in the float competition. The Seniors with" ROCK'N SENIOR SPIRIT IS HEAVEN IN OUR EYES" and the Sophomores with "SOPHOMORE SPIRIT IS ON THE RISE." Then with excitment and joy they announced that Ms. Kristin Arquette would reign as 1986 Homecomming queen over her court: Roxanne Steele, Kelhe Zurawski, Julie Christin and Beth Schlicher. # SPIRIT WEEK SPIRIT

Jeans and Jams day? International food day? Dance 101? What do these things have to do with a typical day at Cardinal Stritch? Everything when it's Spirit Week! Finally Spirit week had arrived-a week to kick back, dress down and have FUN!

The traditional Volleyball games were played and the Seniors showed how it was done by defeating anyone who attempted to beat them, including the faculty!

Another highlight during the week was the International Food Day, when even the pickest eatersa found something to their liking from pizza to chili

Although these were all out of the ordinary nobody can dent the spirit of Spirit Week shown Thursday during 7th hour, when Fr.Murd along with Michael J' gave us one "lesson" we'll never forget, with Dance 101. Homework anyone?

#### VOLLEYBALL DIGS UP GOLD

The girls volleyball team turned what was to be a rebuilding year into a banner season. The season was highlighted by a third place finish in the city and the sectional crown

Head Coach Tracey Cole had more than one reason to be less than optimistic at the beginning of the year. With a team dented by last year's graduation, and the varsity stocked sophomores, the season ooked to be a rebuilding and learning year. All those thoughts never crossed the minds of the spinted young ladies on the team.

Led by the two senior captains Ronda McCoy and Pam Daily, the gutsy girls finished the season with an incredible 17-7 record. Ronda refelected on the season by stating, "This was a really exciting season. Everyone on the team had a real desire to win and a fighting spirit that wouldn't let us ever quit. I wish we could have won a couple of our close matches, but we surprised a lot of people by just making them close."

One person who wasn't surprised was Miss Cole. "Everyone knew we were young, but what I knew was all that mattered. We have a lot of extremely gifted girls who combine their pure athletic ability with a burning desire to excel."

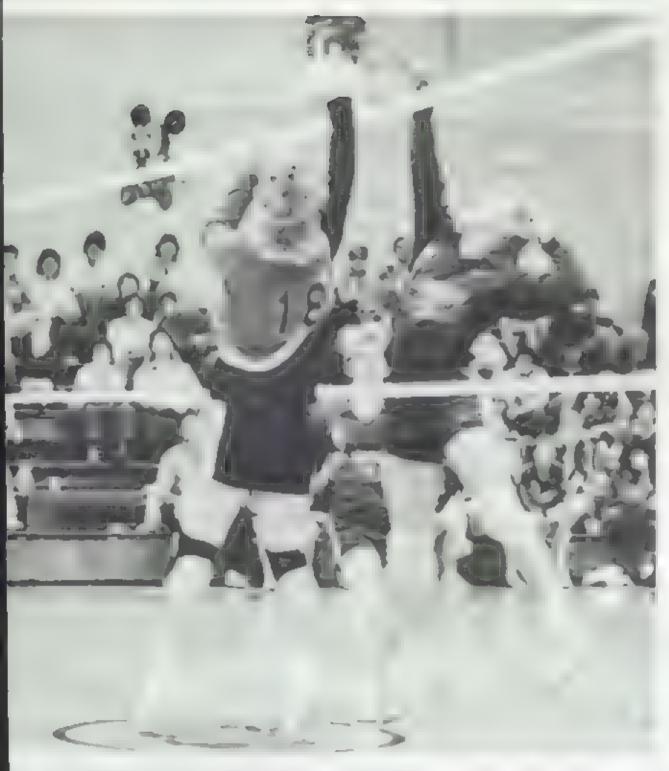

Another important ingredient was spirit. The girls were a very close unit and had a lot of good times together. Ronda recalls one of those times. "When we had defeated Central for the second time of the season to take third in the City, the feeling was unbelievable. I'll never forget that uncontrollable water bottle fight in the gym atter the match."

#### JV'S HIT BIG WITH 18-1 RECORD

The Varsity wasn't the only success story by Coach Diane Heban. The JV's finished with a nearly spotless 18-1 record. Their only loss came at the hands of Start in the City Championship

The team was led by sophomore captains Tricia Kontak, Jodi Jaros and Jackie Sobecki. Among outstanding freshmen were Julie Thomas and Diane Cherry. When asked what made the season so fun Tricia replied, "We had a great coach and a bunch of nice girls. The biggest factor was that we won a lot Things are more fun when you're winning!" If winning is what makes a good time, then these young ladies had one heck of a good time.

The team was lead this year by Junior Joe Koren. Joe received 2nd Team All-City this year and played I all year Senior Mike Johnson commented on the season by saving, "We started out well in the beginning but fell off towards the end. It seemed like we really wanted to win and improve, but never took the time to practice. All in all it was a good year, but with more patience and effort it could be better."

The toughest opponent the Cards faced this season was the Spartans for Start. Early in the match Stritch was down, but the later players came through strong and the Cards won by a narrow score of four strokes.

Stritch was a strong competitor this year in the City. Stritch is the only AA school that competes in League play and beating eight out of the twelve teams says much about the Cards

The Girls' Cross Country team according to Coach Reardon was "Bearing halt of the teams that beat us last year and having an All-City performer on the team." This year's team was "Fantastic! It was great to see the girls improve as the season went on."

The team was lead this year by Sophomore captain Mary Volkers and 1st Team All-City recipient Tracie Moore. Mary had this to say, "I'm glad I was chosen captain of the team this year. The team is getting stronger each year. I hope there will be more girls participating next year."

Tracie's comments on the season were, "I think we had a very strong team this season. Everyone did their best in every meet."

Awards received this year were: V P.-Tracie Moore; Most Improved-Michelle Enright; Coaches Michelle Lynn, Danielle Rometo

The 1986-1987 Boys Cross Country team posted an impressive City-League record of 10-5. The strength and depth of the team this year were the major factors in the team's success

Although the team was young, it did possess one outstanding runner, John Jaksetic. John, a junior second year letter winner, and 2nd Tean All-City recipient commented on the season, "The team this year was very strong. We came together and worked hard for our wins."

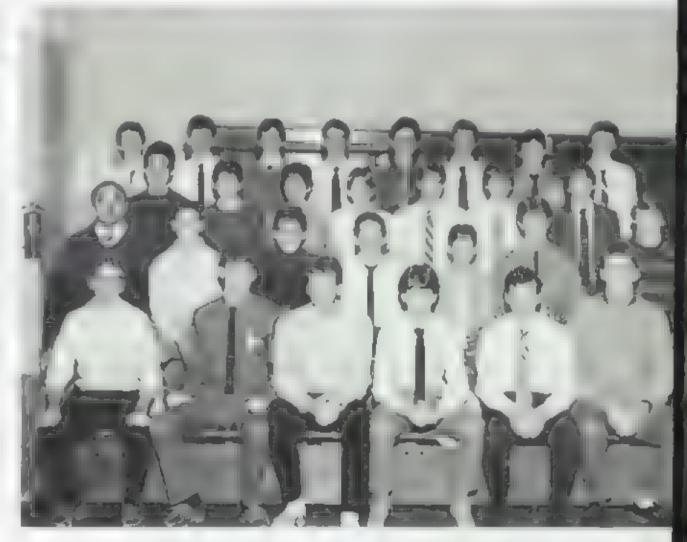

Congratulations to this year's awards winners. Receiving awards this year were; M.V.P.-Dennis Karl, Most Improved -Matt Traver; Coaches Award Mike Koczorowski; 100%-Dennis Karl, John Jaksetic and Matt Traver. Special congratulations to Steve Ambrose on receiving the Scholar Athlete Award

## The Search For Gold

This year the Varsity football experienced a big change. After three years of Coaching football (as assistant coach), Mr. Ralph Orsini was named new head coach.

Coach Orsini attended Stubenville Catholic Central High School. He lettered in two years of football and in 1971 played for the state Championship From there, Coach Orsini went on to play two NCAA Division II playoft teams. His senior year they were second in the nation and he was nominated by the school for Academic All-American

Coach Orsini had high expectations for the season but unfortunately, they weren't fulfilled. "It was tough trying to replace 13 injuries throughtout the season. When starters were injured they had to be replaced with inexperience."

When asked about the season, Coach Orsini said the best highlights were the defense against Waite and keeping Libbey and DeVilbess from scoring when they were on the goalline. In the last two games, the offense put out 63 points compared to 49 pts in the last eight games

"Frustrating!" That's how one of the players for the boy's varsity basketball team described the season. They ended up with a 5-14 record, 4-8 in the league. They were the smallest team in the league and made up of much inexperence. There were five returning lettermen, all seniors. Two sophomores, Joe Herman and Marty Walsh, entered the line-up this year. They added much spunk and talent to the team

The Cards began the season with eight heartbreaking losses, but came back with a big win against Central. They continued to then win against Waite, Rogers, Woodward and Lima Central

## Girls Hoops Full Of Suprises

The 1987 basketball season turned out to be a season of firsts. First year coach Kathy Zsigray guided the varsity to a late season stampede through the tournaments and a District-Runners-up finish Through out the senson, the varsity would win a couple, then lose a couple to wind up with a 8-10. regular season mark. The lady Cards put it all together at the end, winning 5 in a row including 3 tournament wins, before losing to Fremont St. Joe. in the District final. The late season flourish called for some excitement and school spirit rarely expenenced during the basketball season and evened the girls record 11-11. At the winter sports banquet, senior point guard Pam Dailey received the Most Valuable Player award. Ann Galla won-Most Improved, Sue Surgo hustled her way to the 100% Award, and Ronda McCov studied her way to the Acedemic Award

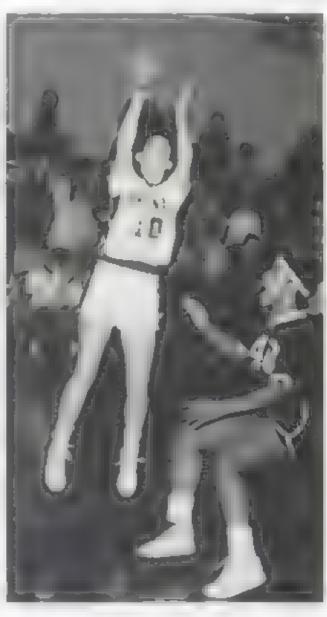

Another cause for excitement was the J V team. For the first time in J V history, the young lady cards captured the coveted J V. City Champion hip with a thrilling 42-40 overtime victory over central. The luck was definitely with the ladies as they won four games by one point and three cames by two points on route to a 14-4 record. Coach

Richard Zellner did not hesitate to point out the Macomber Whitney double overhime win as the most exciting game of the season. "We won that game the way we won all season with detense. All season our defense was our best oftense. That kind of tough, aggressive defense what won the city Championship for us." Mr. Zellner also cited the balance of size and strength with speed and hustle in the line up a major to isons for their success. Mr. Zellner says the future looks bright for the young lady's, but he says the competition for the varsity team will be unbersonal. One more first was our first freshman team, Coached by Mr. Bud Zsigray the girls finished 6-8

## Boys Tennis, A Big Smash

The Boys Varsity Tennis team fought through a very strong schedule and an exceptional year for top tennis talent around the area to finish the season with a dual meet record of 8-7 and a fifth place finish at the City Championships. For the first time the tennis team was overflowing with players and were able to field a varsity and J.V. team. The Varsity lineup was First singles Joe Wetli, Second singles Kyle Zak, Third singles Deke Schoepf, First doubles Ryan Miller and Paul Mylnek, and Second doubles Chad Galavda and Dave Erne. At the Spring Sports Banquet Senior captain Joe Weth recieved the Most Valuable Player,

## Girls Tennis Banks on Future

The lady netters endured through a 1-12 season as 1st year coach Mike Wiley billed it as "A definite rebuilding season." He said this in light of the fact that the team consisted entirely of freshmen and sophomore girls many of whom had never played before. One bright spot was first singles player Lisa Hallock who gathered in a spot on the Honorable mention All City team

Mr. Wiley is a 22-year old graduate of Defiance College, and a teacher in the Social Studies Department, His personal hobbies include sports, music, and photography. Due to his love of the game of tennis, Mr. Wiley said he was excited when he heard that the girls

desperately needed a coach. He stated that he really enjoyed the new experience of the season was undoubtedly the 5-0 trouncing of Macomber-Whitney which turned out to be the Cards' only Victory.

Mr. Wiley said his philosophy on life went hand in hand with this years' team "Don't ask too much of people as long as they try their hardest." His goals for the tuture are to get the girls involved in a strenuous spring and summer program, and to improve the tennis team as they gain experience. Mr. Wiley feels that the lady netters' future looks pretty good, and will improve with the addition of more players and solid dedication

Leading the way, again thes year, was Sophomore Lisa Hallock. Much deserved, Lisa received the votes of her teammates once more to become MVP She hurdled her way to Regional competition this year only to fall short by a few tenths of a second. So close yet so tar"

Another trackstar who should be recognized this year is Senior, Captain, Four-Letter winner Pam Daily. It's not often for an athlete to letter in a sport four years, through this, Pam demonstrates her dedication to athletics

Student Council has made great strides this year under President Julie Christen and Vice President Stephen Ambrose. A number of changes, for the better, have been brought about Student Council obtained their own office in the cafetena, revised the constitution, and profits from the fund raisers soared.

The Council also went strictly by the rules this year. Loose involvment was not tolerated. As a result, the effort given by Student Council was not just the executive officers, but the whole Council-from class presidents to homeroom alternates. All in all Student Council had a very busy and a very productive year.

Our Quiz Bowl team this year has been very successful. They've won 6 matches this season and have appeared on TV 3 times. Mrs. Myer says "We are a very young team, gaining experience and practicing every week are most important." Also she says she is always welcomming and encouraging new members through the year

This year the photo club, moderated by Mr Foote, was very active. They took pictures at different Toledo parks at the Autorama, and at different sporting events. They develop their own pictures and meet every week. Doug Homer a 3 year member, said "It's a lot of fun and I've learned so much."

#### New Design Found At Stritch

The more things change, the more things stay the same. A saying used often, and especially applicable to Cardinal Stritch Eucharistic celebrationsthis year

The chapel was moved and received a complete facelift.

Many new concepts and designs were tried out in all-school masses, including Father Lester's Circle-like design shown on page 89

Same as always, though, students come together to grow in faith and strengthen their bond to Jesus Christ

Another constant, unity through worship was the key phrase as the Stritch family remained a tight-knit bunch

A new style. Changes were seen throughout the school. At first the changes were somewhat confusing for the students, but overall the changes were largely accepted

The Art room became the library, and the chapel was moved to its original spot, the old Library. The Pottery room was moved to the music room, and the music room was moved to the spot the chapel had vacated- off the cafeteria

Many young teachers were also added to the staff. First year teachers included Mr. Steve Weber, Mr. Mike Wiley, Mr Kris Harvey, Mrs. Cindy Ross, Ms Karen Zach, Mrs. Karen Grauman and Mr. Rich Moulten were also welcome additions to the faculty

## Lean on Me, I'll be

Graduation . . . It seemed like June 4 would never come. The day was the ending of one period of our life and the start of another. It was a day of emotions, both happy and sad "Lean on me, I'll be your friend, I'll Help you carry on" was the theme just as it was the unofficial theme of the class of '87 of these last four years. There were times when we needed someone and there was always a classmate to lean on. Graduation is the beginning of a new life, a life in which we find friends just half as good as the ones we have here at Stritch

The Mass opened up with Sr. Rose Angela reading the introductory remarks and the seniors marching in to Pomp and Circumstance. The Homily was given by Fr. John Stites. After the Mass, Valedictorian and Salutatorian James Bihn and Jennifer Brown gave their speeches and the bishops cross was given to Joe Galla and Julie Raglow

Cause there ain't no cure for the summer time blues! These experts have a cure!

Kim Baker — Going shopping and going out with my boyfriend. Stacy Baker — Going out with friends and going to Party in the Park!

Laura Landis — Going out with friends and going to Pearson Park.

Fran McKenzie — Making Money!

Bill Kamelsky — I put on my Tarzan shorts and cruise out to the lake with a cooler of pop.

Dennis Pakulski — Cruising around at night with friends, windows down and Zeppelin in the cassette deck!

Tim Schmidt — My cure for the summer time blues is Hawaii!! Eric Tschappat — Going out with friends and non stop fun! Kelly Webb — Eating ice cream and going out with friends.

Steve and Dennis won't tell us what their cures are

ne Party's about to begin now that Mike and onnie have arrived!

### Frosh Find Stritch Treasure

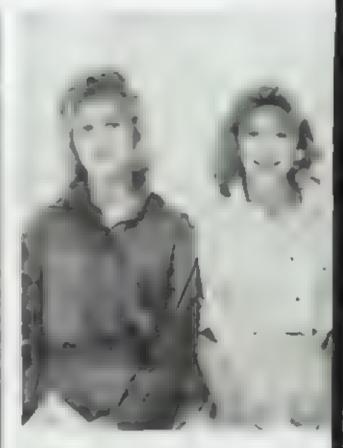

Cardinal Stritch can be a harsh and confusing place for a freshman, but this years freshmen class, the class of 1990 seemed to fit right in

With a new school, new friends, and a new schedule the transition from junior high to high school is very tough but this years class seemed to make it easy. Under the guidance of freshmen class moderator, Mr. Rich Haffner, the class of 1990 got off to a great start. Some of the accomplishment achieved by this year-freshmen were; a second place homecoming float, second place in the Burger King drive, and second place in the Patron drive.

With a great start like this it looks lik. the future of this class is very bright

where there's Sun, there's energy Toledo Reissery

#### Since 1886

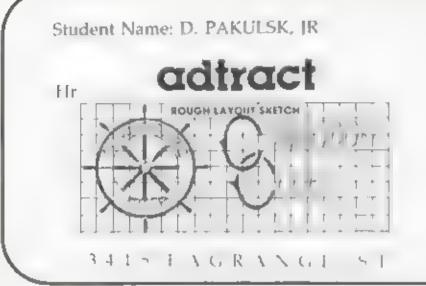

We at bun would like to acknowledge the contributions that our employees have made to the advancement of our company

From our early beginning in 1886. Sun employees have been a guiding force in the success of the company. Our knowledgeable trained reliant people produce the energy that keeps out country moving ahead. It is with pride in our work in the quality of our products and in our Employees involvement in the community that we salute Cardinal Stritch High School and the 1986 graduates
